

Considering Cub Scouts?

Pack 60

College Station, TX
Christ United Methodist Church

Cub Scouting is fun for the whole family! In Scouting, boys and girls start with their best right now selves and grow into their very best future selves. It's fun, hands-on learning and achievement that puts kids in the middle of the action and prepares them for today – and for life.

We are Pack 60, a group of boys and parents from South College Station and the surrounding areas, who want to teach our children life skills and have fun at the same time. We hope you choose to join us!

What Is Cub Scouting in a Pandemic?

Just like you, we started 2020 with plans of camping, outdoor activities, or other adventures with our children throughout the year. And, as we have all experienced, we had to make some changes to our plans. This year, we have established plans for Pack 60 that will allow our scouts to experience the usual fun and excitement that Cub Scouting normally brings, but just in a socially distant, safe, and sometimes virtual way. We still plan to have outdoor adventures, skills development, service projects, opportunities to build friendships, and more - we all just have to be even more creative together!

How Can I Learn More?

There are a few ways you can find out more. The Boy Scouts of America has lots of information online at [BeAScout.org](https://www.BeAScout.org), where you can watch videos and hear testimonials about scouting. You can also visit our website at [Pack60.info](https://www.Pack60.info). But, you might want to talk to someone in the College Station area about our pack specifically, and we encourage you to do so! Feel free to email Tracey Calanog, the Pack's Committee Chair, at tcalanog@pack60.info to find a time to discuss by email, by phone, or by Zoom. We also have a Frequently Asked Questions guide that we are happy to share with you.
